## OCEAN VIEW BREWING CO. –ESTATE BREWED BEERS

Estate brewed and bottled by Head Brewer: Hannah Honnef,  
eldest daughter of Chief Winemaker: Thomas Honnef.

### **'My Bouquet' Hibiscus Saison 4.2% ABV**

**8**

A beautifully delicate gluten free beer with rose and 100% Australian hibiscus flowers (rosella) added into the ferment, giving it a deep pink colour, pale pink head and a refreshing floral tartness. Made with sorghum rather than barley malt 'My Bouquet' is totally gluten free and a good choice for people with coeliac disease, gluten intolerance or those who prefer to avoid the beer belly. Ladies, even if you aren't usually a beer drinker I urge you to give this one a go – it was made with you in mind! I hope you love it as much as I do.

### **'She's Gone Pale Ale' 4.5% ABV**

**8**

Who doesn't like a pale ale? In a way, a good fruity pale ale has been the flagship for craft brewing in Australia and a go-to for many beer lovers. To keep things interesting and unique to Ocean View Estates I have attempted to create a balanced and rounded flavour profile by dry hopping only with a combination of 5 different aromatic hop varieties from around the world. It is citrusy, a little floral and not too bitter. It took a while to get it right but I am (finally) super happy with the recipe.

### **'Ginger Junkie' 4.5% ABV**

**8**

For all you Ginger Junkies, this is a punch-in-the-face, full-on ginger hit. Not too sweet and made with tons of fresh ginger. Warm, yet surprisingly refreshing with a hint of acidity and lightly hopped for depth of flavour.

### **'Wattle We Do' 4.9% ABV**

**8**

A Nut-Brown Scottish Ale fermented with roasted wattle seeds. Slow fermentation at cold temperatures has produced a clean-tasting ale with a full mouth-feel. Malt-driven with minimal hop aromas or bitterness and a lingering hazelnut flavour from the wattle seed.

### **'French Kiss' 5% ABV**

**8**

Yum, Yum, Yum!! This is my version of a smooth, rich, delicious, decadent, slow, romantic kiss with a...wait, we are talking about the beer, sorry I got distracted...where was I? Oh yes, it's a chocolate porter. To compliment the smooth chocolate, the beer has been fermented with French oak resulting in delicate vanilla flavours. This is one to sip slowly and savour.

### **'Spice it Up' 4.7% ABV**

**8**

I could describe this beer in a verbose and loquacious way (google if you don't know what those words mean, I used a thesaurus to sound smart)... but basically it just tastes awesome. Sweet spice and all things nice thrown into this delicious schwarzbier.
